MULTIGROW

GREENHOUSE

Please note: slabs are not included and must be supplied by customer.

The Multigrow Greenhouse is available in a choice of sizes and colours with a host of unique accessories. Produced from the highest quality materials the Multigrow Greenhouse displays superb strength and build quality and is ideally suited for Ireland's varied and harsh weather conditions.

Incorporating a unique heavy duty steel base frame, ready to accept paving slabs to act as an internal floor, each greenhouse can be fitted on almost any level surface, eliminating the requirement for major site preparations such as concreting. Equipped as standard with double sliding doors and a large sliding vent the Multigrow Greenhouse is the perfect partner for growing enthusiasts of all levels.

BETTER BUILT BY ADMAN

- **MAXIMUM STRENGTH**
High impact resistant external polycarbonate sheeting.
- **SLIDING VENT**
Positioned in the back gable, a large sliding vent is included as standard to supply extra ventilation when required.
- **DOUBLE SLIDING DOORS**
Opening to the left and right, doors can be left partially or fully open depending on the users needs.
- **TOP QUALITY MATERIALS**
Roof corrugations allow for consistent ventilation at all times helping to avoid excessive temperatures.
- **BASE FRAME**
Supplied and fitted with a heavy duty steel base frame, ready to accept paving slabs.

HOW IT WORKS

A level garden area is most suitable. For unlevel garden areas, please allow some extra paving slabs for levelling the base frame.

The Adman installation team will level the base frame and assemble the Multigrow Greenhouse.

The required number of paving slabs must be supplied by the customer.

Please ensure that the slabs supplied measure 400 x 400 x 40mm.

The Adman installation team will be happy to position the paving slabs inside your Multigrow Greenhouse.

GARDEN SHEDS & GARAGES

DURASTORE

Our maintenance free DURASTORE sheds and garages are designed and constructed with the most extreme conditions in mind boasting a build quality and strength superior to any other building of this type so it can stand up to the harshest conditions. These are the perfect solution for storing all of your family's general, household and garden equipment. Available in a wide variety of sizes and colours with flexible build options for positioning doors and windows to suit your site and needs. **A rebated concrete base is required for all of our DURASTORE garden sheds and garages.**

BETTER BUILT BY ADMAN

- **HEAVY DUTY MATERIALS**
Heavy duty galvanised structural steel framework combined with fabricated centre support beams for maximum strength.
- **PVC GUTTERS & DOWNPIPES**
Fitted to all buildings.
- **SUPERIOR FINISHES**
Safe edge folds on all exterior flashings; external screws finished with protective colour caps and non-drip roof sheeting.
- **SMART STORAGE OPTIONS**
Such as bike and tool racks, workbenches and shelving units.
- **WINDOW & DOOR OPTIONS**
Roller garage doors, steel security door and double glazed PVC pedestrian doors and windows.
- **NATURAL LIGHT**
Optional UV protected polycarbonate clear roof panels positioned on either side of the roof.

GARDEN SHEDS & GARAGES

THERMASTORE

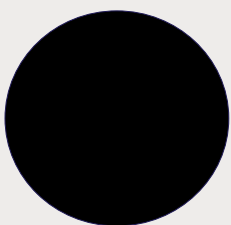

The THERMASTORE is a step up from the DURASTORE range, this selection is constructed with fully insulated walls and roof panels. While retaining the same robust construction as our DURASTORE models, these easily heated units have the added advantage of retaining heat. This insulation combined with heating, allows for a dryer and more comfortable environment for use as workshops and hobby spaces along with being an ideal storage area for your more valuable goods such as cars, vintage vehicles, electrical items and household furniture. **A rebated concrete base is required for our THERMASTORE ranges.**

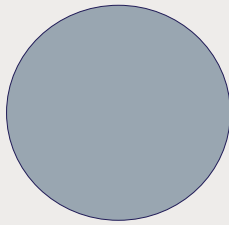

BETTER BUILT BY ADMAN

- **INSULATED WALLS & ROOF**
Constructed using 40mm insulated sandwich panel throughout.
- **HEAVY DUTY MATERIALS**
Heavy duty galvanised steel framework combined with fabricated centre support beams for maximum strength.
- **MAINTENANCE FREE EXTERIOR**
PVC coated exterior in a choice of colours finished internally in a white, smooth, easy-clean metal surface.
- **SUPERIOR FINISHES**
Safe edge folds on all exterior flashings; external screws finished with protective colour caps.
- **PVC GUTTERS & DOWNPIPES**
Fitted to all buildings.
- **WINDOW & DOOR OPTIONS**
Roller garage door, double glazed PVC pedestrian and French doors.
